**Re: PRECAUTIONARY BOIL WATER ADVISORY ISSUED TO THE RURAL MUNICIPALITY OF CARTIER (CARTIER REGIONAL) PUBLIC WATER SYSTEM (DOES NOT INCLUDE ST. EUSTACHE, LIDO PLAGE, SPRINGSTEIN or AREAS NORTH OF 62 NORTH)**

Dear Michael Lackmanec:

Drinking Water Officer, Marc Balcaen, has advised me that the Rural Municipality of Cartier (Cartier Regional) public water system has met all conditions for rescinding the precautionary boil water advisory and that bacteriological testing results meet regulatory standards.

I am therefore rescinding the precautionary boil water advisory that was placed on the the RM of Cartier (Cartier Regional) public water system on September 14, 2021.

Please ensure all water users are notified that the advisory has been rescinded and that normal water usage can be resumed. A copy of this letter can be provided as notification. Notices posted in public locations such as washrooms are to be removed.

Should you have any questions, please contact Marc Balcaen, Supervisor, Drinking Water Officer at 204-945-2454.

Sincerely,

**Dr. Anna Johnston**
